

Hello, everyone:

Thanks for those that made it out to our meeting tonight! To celebrate the upcoming holiday, we had a Friendsgiving potluck! Next week we'll be having our LAST meeting of the semester so be sure to come out next week for games, pizza and prizes?

This week we learned about a Person in Zoology! Joan Beauchamp Procter (1897-1931) pioneered the captivity of reptiles and is a renowned leader in herpetology. She even published some of the first studies on pancake tortoises! She also had a pet komodo dragon!
