Hi everyone! Welcome back to another semester! Given that our meetings will be online, we would like your input on meeting topics! Please fill out this survey monkey!

<https://www.surveymonkey.com/r/8O62HFP>

Today we learned about the common bottlenose dolphin. They can reach speeds of over 18 miles an hour and can make over 1000 clicking noises per minute! The Eboard was introduced for this coming school year. We got to know each other at this meeting by talking about our favorite animals and showing off our pets. Next week we will be discussing what cool animal related stuff we did this summer. If you have a cool experience you want to share, create a short powerpoint and send it to this email!
