
General Meeting

2/1/2022

Animal of the Week: Bengal Tiger (*Panthera tigris tigris*)

- They are a subspecies of the tiger
- Their stripes help them hide in tall grasses at dusk and dawn
- They are endangered due to poaching and habitat loss
- They have the largest canine teeth of any living cat (4 in)

- 7-8PM, Room 140 Natural Science
- Zoom Meeting ID: 990 0125 1588
- Advisor: Dr. Eila Roberts

Opportunities in Zoology!

- Join AZA!
 - Resume builder
 - Keep up with all the recent news in the zoo world
 - Job postings
 - Connect with zoos all over the world
 - Get the Connect Magazine
- IBIO Hands on database!
 - Now is the time to look for summer internships!

Dean's Research Scholar!

The College of Natural Science is seeking applications for the Dean's Research Scholars Program for the 2022-2023 academic year. This is a scholarship program (\$750/semester) for undergraduate students who are enrolled full time (12 or more credits a semester) in a major in the College of Natural Science. Scholars must have completed one semester of research with an MSU faculty mentor.

Applicants can apply online here:

<https://natsci.msu.edu/students/current-students/undergraduate/deans-research-scholars/>

More information including expectations and selection information can be found here:

<https://natsci.msu.edu/students/current-students/undergraduate/deans-research-scholars/>

The deadline for application is Friday, February 18, 2022.

T Shirts

- We are ordering t shirts for this years merchandise!
- Please fill out the survey (in the email) or see an e board m after the meeting!
